An exciting addition to Pafilia Property Developers' growing portfolio of highly desirable residences, the stunning properties perched high on the hills of Germasoyia - one of Limassol's most prestigious residential suburbs - provide an ideal setting for idyllic Mediterranean living just five minutes away from the hub of the city.

Aurai Residences reflect the company's ongoing dedication to ingenious luxury design in prime locations, built to the best possible standards. With each 3 and 4-bedroom villa boasting its own pool, the forward-thinking approach utilizes the natural grid of the area to offer residents panoramic views spanning the entire width of the coastline.

Evangelia Eliadou, Executive Director of Pafilia Property Developers, stated: "We are elated that this new project is capturing the imagination of property buyers who are passionate about superior design infused with natural authenticity and unique opulence. The Aurai Residences are yet another gem in our wide portfolio of impressive property developments that create exceptionally luxurious living environments with the most discerning clients in mind."

Combining stylish architecture with premium finishes, each villa perfectly fuses natural materials, including wood, marble and stone, with high-quality fixtures and fittings.
